Enrolments are now open

Kindergarten 2022

Please contact the school office

Telephone: 9144 4136

Email: Pymble-p.school@det.nsw.edu.au

Online applications are now being accepted.
Alternatively, enrolment forms can be downloaded from our school website.

Principal's News

We have almost reached the end of the 2021 school year, although we still have many exciting and fun end of year events and activities planned for the last week of term. This includes presentation day assemblies, the Year 6 Farewell and Graduation and end of year grade activity days. It has been a challenging and interesting year to say the least. We have endured, this year, an extended lockdown and home learning period which provided significant challenges for schools and families. Despite these challenges and the disruption to face to face teaching we managed to effectively maintain continuity of learning with a focus on student wellbeing throughout this year. This is credit to the dedicated and caring PPS teachers and staff as well as our highly supportive parent community.

We also managed to safely return students and staff to school this term, albeit under COVID-19 safe school settings. The success of our hard work in returning students to school this term can be seen in the happy, excited, smiling faces and voices of our students each school day. It has been an absolute joy to see our students back at school this term learning in classrooms with their friends and teachers. It has also been heart warming to see and hear children having their swimming lessons in our pool and band rehearsals outside under the K-2 COLA these past few weeks.

I am very much looking forward to the 2022 school year with a hope for continued and extended normality for our students and teachers in our schools. I wish our students and families a safe and enjoyable school holiday period and all the best for the festive season.

Kindergarten Orientation

With recent changes to school operations, we were able to hold our first kindergarten orientation day onsite last week. Our second kindergarten orientation day is this Thursday. Our new cohort of kindergarten students for 2022 had a wonderful day last Thursday at school. They were all very excited to be at their new school for an hour of fun activities in classrooms. The children were happy and settled during their short session at school. Their parents were also very excited to have this opportunity.

It has been extremely beneficial to be able to run these days at school with children onsite late this term. I'd like to thank the Kindergarten Team, our office staff and Mrs Doig for preparing these kindergarten orientation days at short notice.

Presentation Day Assemblies

Our K-2 presentation day assemblies will be held on Friday 10 December and our 3-6 presentation day assemblies will be held on Monday 13 December 2021. Unfortunately, due to Level 3 COVID-19 restrictions in schools, parents and carers are not permitted to attend these assemblies. However, we have arranged for a professional videographer to film the assemblies and the recordings will then be posted online. Details of the online recording links will be sent to parents via our school stream app as soon as they are available.

Semester 2 Student Reports

Our school reports students' progress with written reports twice a year and provides ongoing detail through interviews and meetings.

In line with advice from the NSW Department of Education, our school reports for Terms 3 and 4, 2021 have been adjusted to cater for students learning from school and at home. This report will not grade students using the A-E scale for all outcomes. The report will focus on the learning undertaken in English and Mathematics and provide information about other learning addressed by your child. This report will also provide information about student attendance, their commitment to learning and identify next steps in learning.

Semester 2 student reports will be sent home with students this Monday 13 December. Please contact the school if you wish to discuss this report and your child's progress with your child's teacher.

2022 School Year

The first day of the 2022 school year (Term One) for students in Years 1-6 is Tuesday 1 February 2022. Should your family be on leave and your child will not be starting school on the first day (or week) of Term 1 next year can you please let the school office know in advance via email (pymble-ps.school@det.nsw.edu.au).

Our new Kindergarten students will have their Best Start Assessments in the first week of school, information will be sent out to those families in advance. All Kindergarten children will start their first full school day on Monday 7 February 2022.

Bruno Diodati
Principal

Deputy Principal's News

In preparation for 2022, each family will receive an email regarding classroom requirements for next year. This includes information on how to order books, textbooks and specific folders that students will use in their new classes, as well as stationery items. All book items can be placed online and our supplier, Humphreys, will deliver the student packs to the school where they will be distributed to each child in their new classroom. You can also find a link to this information once available on our school website. We thank you for your assistance in ensuring these items are ready for your child at the start of the school year.

Light Up Learning

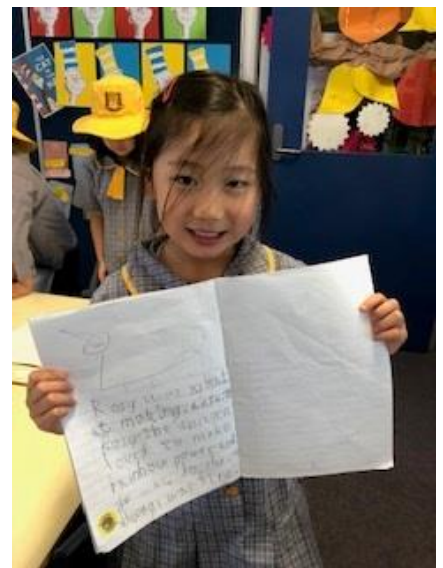

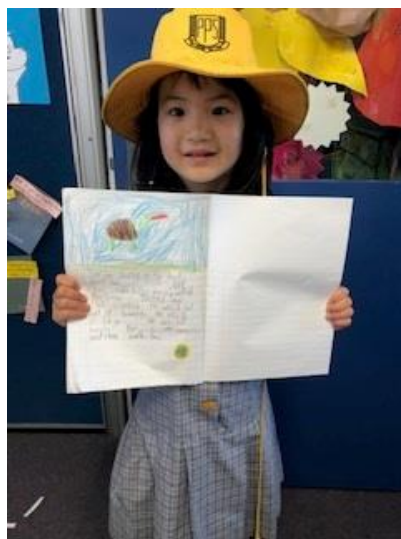

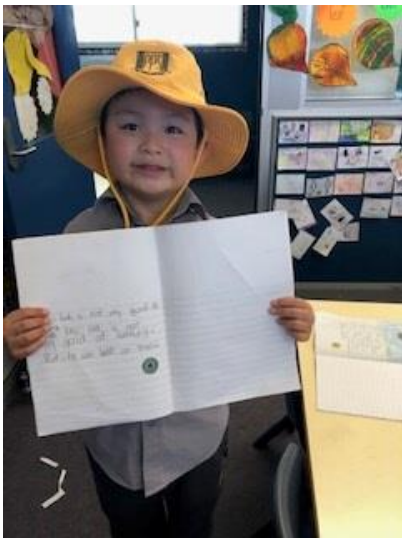

As the year comes to an end, I would like to congratulate our students on the wonderful progress they have made this year, in very difficult circumstances. The standard of work continues to astound me and is a testament to the efforts and commitment of our teachers as well as you, their parents, during the home learning period.

I would like to thank our school community for your continued support and cooperation throughout the year. I wish you all a wonderful Christmas and a safe and enjoyable holiday break.

3K Christmas Art

KJ students have written their own story based on the book *George, the Dragon and the Princess* written by Chris Wormell.

Nicole Doig
Deputy Principal

Library News

Borrowing finished for this year two weeks ago and all books need to be returned before the end of this week (Friday 10th December). Home readers will need to be returned to the classroom (not the library) by the end of this week so please have a look around for any lost readers.

Thank you to everyone who has already found and returned any of the long term outstanding loans.

It is particularly important for year 6 and any other children leaving the school to ensure that they have returned all books before they leave the school and if they are unable to be returned, then they need to be replaced, or paid for.

If there are any parent coverers who have books, tape and scissors at home from before lockdown, please return them to the school as soon as possible, contacting the office to arrange drop off if your child is not able to carry them to the library. Thank you for the work that you have done for the children's library.

I would like to thank the year 5 and 6 children who worked hard as library monitors over the first two terms of the year. It is a big commitment that they undertook and they did it extremely well.

If you have any questions or would like more information please contact me in the library. I do hope that you and your families have a safe and happy holiday.

Miss Harris
Teacher Librarian

Debating News

Our two debating teams had their final debate on Friday 3rd December. The Pymble Panther's team of Lara, Nate, Nimisha and Alannah competed against the Pymble Puma's team of Stephanie, Taylor, Matthew and Tom. The adjudicator found it difficult to select the winning team. After deliberation, the Pymble Panthers were successful in securing the win. The topic was 'That Primary schools should teach compulsory swimming classes'.

Congratulations to both teams on a successful year of debating. We are incredibly proud of your dedication, hard work and positive attitudes!

Miss Andrews and Mrs Quin
PPS Debating Coordinators

On behalf of the new P&C Executive Committee, I would like to thank Penny Lannen and the outgoing Committee for their dedication and wonderful service to PPS. Penny’s enthusiasm and dedication to PPS is remarkable and we are fortunate Penny is remaining on the Committee as Secretary. In yet another unusual year, the curve balls and challenges didn’t stop the Committee from bringing the community together, fundraising and investing in our school grounds.

I am delighted that a number of the Committee are continuing on in 2022 and we very warmly welcome the new members who I am sure will have some wonderful new ideas. The 2022 Committee members are detailed below.

I am looking forward to working closely with Mr Diodati, Mrs Doig, the school leadership team and the school community on the key priorities for our P&C. There is a long time until our first meeting of 2022 (Feb 9) but let’s not let that stop us from communicating and generating ideas for a hopefully less disruptive 2022. If you would like to connect, please do get in touch via president.ppspc@gmail.com

Wishing you all a happy and safe break.

P&C Events & Fundraising Update

Return & Earn

We have loved seeing all the smiling faces of students who have been sending in their photos while donating bottles and containers in our Return & Earn Pizza Party competition. Entries for this have now closed, well done to everyone for their effort!

The Pymble Public P&C will be listed on the machines until 3rd April 2022 and we aim to raise \$2,000 or more to compliment the Solar My Schools Grant and funds the P&C will be contributing to convert our school to solar. To date, we have raised over \$1,400 for the school.

Look out in the next edition of the North Shore Times for a story about PPS and their involvement in the Return and Earn program.

The winner of the Pizza Party is KS with a huge total of 4432.

Well done and a special shout out to Emily Baker who collected over 2000 items from LUHO Restaurant to boost their tally.

Dominos Pizza, Pymble will be donating the pizzas to the winning class! A huge thank you for their generosity in supporting the school.

Runners up classes who have all contributed over 1000 items are below. They will receive an ice block on Friday to celebrate their wonderful efforts!

- **1P on 1,977 items**
- **1H on 1,806 items**
- **1A on 1,177 items**

We will be announcing a new competition to run over the Christmas break to keep up the momentum for Return and Earn and reaching our target of \$2,000. Stay tuned for the details and prizes over the next week.

Gingerbread Houses Have Arrived!!

Gingerbread Houses are now ready for collection from a local home. Emails have been sent out with the address and times available. The kits look lovely and we hope you all enjoy some creative fun with the family together.

If you would like to arrange a pick up time outside of these hours or have any questions, please contact Danielle on 0422 369 018.

Dee Visione
Vice President / Fundraising & Events

You can help Pymble Public School go solar!

25th October 2021 - 3rd April 2022

Your donation goes towards solar power to reduce energy costs & our carbon footprint at Pymble Public School. Our Goal: \$2,000

Return Locations:

- Macquarie Centre (in the car park by Macquarie University Station)
- St Ives Shopping Village (near Star carwash)
- Turrumurra Carpark (near Coles & Turrumurra Station)

Eligible containers

Containers should be empty, uncrushed, unbroken and have the original label attached. If a container isn't eligible for a refund, please use a recycling bin.

			
Liquid paperboard (cartons)	Aluminium and steel	Glass	Plastic

Find out more at returnandearn.org.au

It starts with collecting your eligible containers, including from your relatives or neighbours (but ask first). Ask an adult to help you return them at our return locations above and remember to press 'donate' at the machine. You can donate multiple times to help reach our goal.

Need help returning containers? Email: fundraising.ppspc@gmail.com

Return & Earn Class Competition!

Start collecting bottles, cans and drink containers to join the PPS class Return & Earn competition!

To enter please include:

1. A photo of your containers being returned at one of our specified locations (you can choose to be in the photo or not).
2. Send the photo to fundraising.ppspc@gmail.com (also include your name, class, date of donation, permission to publish the photo and amount donated).
3. Classes with the highest tallies will be announced in the Myalla and on posters around the school on the 10th November, 24th November and 8th December.
4. The winning class will be announced on the 8th December and Pizza Party will be on the 10th December!

**Win a Pizza Party for your class
at the end of Term 4!**

Return Locations:

**Macquarie Centre
(in the car park by Macquarie
University Station)**

**St Ives Shopping Village
(near Star carwash)**

**Turrumurra Carpark
(near Coles & Turrumurra Station)**

Need help returning containers? Email: fundraising.ppspc@gmail.com

Part-Time Work

Ku-ring-gai Local Government Area - 38865**

Help protect our vibrant school communities

Become a School Crossing Supervisor!

- Keep our kids, parents, and teachers safe on the road
 - Be a second pair of eyes for our local motorists
- Earn an income and still have time to live your life to the fullest

School crossings require 20 hours of supervising per fortnight.
Hours for this role are 8:00am – 9:30am and 2:30pm – 4.00pm.
Shifts are Monday to Friday during the school term.

Does this sound like you?

- ✓ Reliable in good or bad weather
- ✓ Good communication skills
 - ✓ Community spirit
 - ✓ Positive energy

If it does, visit jobs.transport.nsw.gov.au to apply today!

Applications close: Tuesday 7th December 2021

School Travel for 2022

2022 school travel applications are now open

Students who need a School Opal card or travel pass for 2022 can [apply](#) now. A new application will need to be submitted if they are applying for a school travel pass for the first time, or if they are requesting an additional travel entitlement as a result of a new shared parental responsibility situation (e.g. joint custody).

Students who change address, school, campus location, or who have repeated a year or received an expiry notification from Transport for NSW for their school travel entitlement should [renew or update](#) their details before **the end of term 4**. This will ensure that schools can endorse applications and current entitlements are updated and remain valid. School Opal card holders will have the changes applied to their existing card.

If a student's distance eligibility has changed based on their grade the system will automatically update their entitlement if they meet the new criteria. If they do not meet the new [eligibility criteria](#), they will receive an expiry notification via email.

Students who have an entitlement approved under a medical condition that is due to expire will receive a notification advising them to re-apply.

[Term Bus Pass](#) holders will receive a notification to re-apply.

Students in the Opal network applying for an Opal card (including a Term Bus Pass) for the first time will receive their Student Opal card at their nominated postal address. Cards will be mailed out from January 2022.

Students living in rural and regional (R&R) areas should receive their travel pass at the start of the new school year from their nominated transport operator. It may come via the school or be sent directly to them at home. **Note:** some R&R operators do not issue travel passes. Students/parents should confirm with their nominated operator if they do not receive a pass.

School Student Transport Scheme site change

On 1 October 2021 the School Student Transport Scheme (SSTS) information and application portal was moved to transportnsw.info. This will assist families to find all their travel information in the one place.

Travel from Term 1 2022

We ask that parents plan ahead and make sure their child knows which service/s to use and has a valid ticket to travel; either a School Opal card or Child/Youth Opal card (within Greater Sydney) or a School Travel Pass (outside Greater Sydney), from the start of the school year.

Applications for the School Student Transport Scheme (SSTS) open at the start of Term 4 2021 for travel in 2022, so parents/students can [apply](#) or [update](#) details early and be ready for the start of the new school year.

Most students using the Opal network will not need a new Opal card and can continue travelling on their existing card each year.

The start of the year is a difficult period for local bus operators, and students travelling without a valid ticket make service planning and operations increasingly difficult.

We recognise that for some families last minute changes to school enrolments mean they may not have a School Opal card or Travel Pass for the start of term. In the Opal network, we strongly encourage these families to have their children travel on a Child/Youth Opal card until they receive their valid School Opal card. If outside Greater Sydney, parents should contact their [local bus operator](#) to discuss their travel needs.

Bus operators are flexible and understanding, particularly at the start of the school year, and will ensure students can travel safely to and from school. But to best support our operators we encourage all students to have a valid ticket, as early as possible, from the start of the school year.

Please also remember that students using Opal cards must tap on and tap off in line with the [Student code of conduct](#) and [Opal terms of use](#).

Further information can be found at transportnsw.info/travel-info/using-public-transport/school-travel

Enquiries can be submitted at transportnsw.info/contact-us/feedback/passes-concessions-feedback

Volunteer Ethics Teachers Needed!

Lead children in discussions of ethical issues. Topics include keeping and telling secrets, trying to work out what's true and imagining how others feel.

Comprehensive training, access to lesson materials and classroom support are all provided. Previous teaching experience is not required.

Questions about volunteering at PPS? Contact Margaret Fox, Year 2 mum, at margaretfox@yahoo.com or 0448 834 833.

Learn more and register your interest here: primaryethics.com.au/volunteer/

PPS Christian Prayer Group

Throughout this year, the PPS Christian Prayer Group have been continuing to meet to pray for the PPS community. The group meet on the first Friday of each month at 9am at Bannockburn Oval. If you would like to join us, please contact Briony Jones (brionyjones_1@hotmail.com)

PPS School Stream app

Have you downloaded the School Stream app? You can download the app for free onto as many devices as you wish. All parents are strongly encouraged to download our new PPS School Stream app. Should you have any questions regarding the app or trouble downloading the app please visit the school website for easy to follow instructions.

Lost Property

The Lost Property box is located in the room under the Hall, near the Band Room. Due to current COVID-19 restrictions, parents are unable to check the Lost Property box themselves, however students on-site may check the box for their missing items at any time. To minimise items going missing, please ensure your child's belongings are clearly labelled. Items with NO NAME will be sent to the 2nd Hand Uniform shop and proceeds from these sales will be used to fund school improvements.

Uniform Shop

The Online Uniform shop is now open for contact free ordering:

- (1) Online ordering – www.alintaapparel.com.au
- (2) Store phone order – 0413 087 395
- (3) Contact Alinta Call Centre – 4321 0433

Pymble Public School Online Uniform Shop

The Online Uniform Shop is OPEN.

1 Register an account and shop online via
www.alintaapparel.com.au

2 Choose from one of the delivery options:

1. Home Delivery - select 'Delivery' - Recommended - Fees apply
2. Click and Collect from Uniform Shop - select 'Pick-Up' - No fees - Check in required

If you select Click and Collect option, please note:

a. Your order can be collected from the table outside the Uniform Shop.

b. Call 0413 087 395 upon arrival to notify the shop staff you have arrived.

3 Collection hours are:
Tuesday 3:15pm - 4:00pm
Thursday 8:15am - 8:30am

Uniform Fittings are available to book via your online account. All uniform fittings will be conducted by Alinta shop staff over the phone due to current restrictions.

Please note: Alinta staff will be processing orders during the designated shop hours only.

- Must be 18 years +
- Training provided in uniform shop on school grounds
- Customer Service Skills essential

Contact for all applications:

Mitch Graham

[0401913294](tel:0401913294)

mitch@alinta.com

2nd Hand Uniform Shop

With ongoing COVID-19 restrictions, parents are unable to visit the second-hand uniform shop during school hours. However, we recognise you may have an urgent order as children return to school, so we will run an ad-hoc out-of-school hours click-and-collect service.

This service is for URGENT orders only; please advise your name, telephone number, and items required, including size. While we endeavour to pick the best available stock, as items are bagged for click-and-collect and a strict no returns policy is in place, we recommend waiting for restrictions to ease if you prefer self-selection.

We will advise via return email if/when your order is available for collection.

We have opened appointments for the whole school community on Sunday 23 January. These can be booked at: <https://secondhanduniform.setmore.com/>

Lisa Ashton

2ndhand.ppspc@gmail.com

Whether you're leaving PPS or just have a surplus of uniforms clogging up your cupboards - please donate them to the PPS P&C 2nd Hand Uniform Shop.

We'll be giving an icy pole to children who donate uniform item(s) with a clearly marked note from parents, during lunchtime on the date below:

K-6: Monday 13 December

Otherwise icy poles \$1 each.

Term 1!

Robotics and Coding at Pymble Public School

Our after school classes will teach your children about technology as they program robots and other gadgets, write code and create their own computer games.

We blend children's passion for technology together with their creativity, love of making things and lots of fun to provide a dynamic learning experience.

Your child will build foundation skills that will have a positive impact across their academic, social and creative endeavours.

Technology is at the centre of how we innovate, build and communicate. In today's world, those who know how to use technology have a real advantage over those who don't.

We bring all the technology, you just need to bring your sense of discovery and creativity!

Mondays 3.00 to 4.15pm

Register your interest today at www.appycoding.com
